STATUTES OF INDIANA.

GAVIN & HORD'S REVISION. The second volume of Mesers Gavin & Hard's compliation of Indiana Sta utes has just appeared. This volume complete- their work. Its mechanical execution is ver creditable; and the akill, learning, and labor which the change in the institutions and principles upon which the editors have bestowed on it, merit the highest praise. None but learned, diligent lawyers could have produced

> The second volume embraces all the public statutes of Indiana now in force upon the subjects to which it relates, and the first all excepting the acts of the last regular and extra sessions of the Legislature. It is a great excellence of the compilation that all existing statutes on each subject are collected together in the same place in these volumes; so that tile reader can see at a glance all the legislation is force on any given subject. Take, for example, the act of 1852, organizing Courts of Common Pleas-the editors publish the act at large, and they also print, in the form of notes on the same pages containing this statute, all the acts amendatory to it which have been passed up to this time. And so they have done of all the other acts contained in the revision of 1852.
